

Pre-programme**International Forum of Alliances for the Right to Abortion | Barcelona**

Activism for Transforming Healthcare Systems and Community Spaces

The International Forum of Alliances for the Right to Abortion will bring together activists, healthcare professionals, researchers, legal experts, and community-based organizations from around the world to share experiences, build alliances, and reflect on current challenges to ensuring access to abortion and advancing reproductive justice. The event will offer simultaneous interpretation in Catalan, Spanish, and English. Participation is free of charge, with **prior registration required** (limited spots available).
